

Hunting and fishing

Discover the Canadian wilderness!

Canada offers many sports activities, including hunting and fishing. So, beginner or expert, why not give them a try during your motorhome holiday in Canada!

In your motorhome take the opportunity to enjoy the wild fauna and flora in any way you wish. Many sporting activities are possible during your road trip.

Hunting and fishing are practiced everywhere, but more so in some regions such as Quebec. Canada has a wide variety of animal species such as bears, foxes, caribou, deer, golden pike and trout.

Quebecers are hunting and fishing enthusiasts, while still maintaining the impressive natural wealth they know and enjoy. Therefore, national and provincial parks, wildlife reserves and controlled zones are found throughout the territory. An unforgettable adventure awaits you.

Nothing beats a hunting or fishing expedition in the heart of the forest to strengthen ties between family or friends! In Quebec, hunting and fishing are old traditions. This precious legacy survives on Amerindians, Inuits or whites who offer accommodation in the best corners of the area.

Canada is a land of pure, unspoiled nature where you can escape reality and have wild adventures. Hunting and fishing expeditions in Canada will surely meet the highest expectations.
