In the extreme north of the country Tromsø has been a litteral port of entry to the Arctic for centuries. It has continually served as a stopping point for those chasing seals and views of the aurora borealis. Tromsø remains today one of the best destinations for both, between September and March.

Between May and July visitors can experience a phenomenon called "midnight sun", with the sun shining through the night. This is only one of the unique experiences that defines this region just at the polar circle.

The multicultural aspects of the city give it a foolproof dynamic, there is something for everyone! Local restaurants (with fresh products of the great north), festivals, lively night life, museums, and botanical gardens.

Of course with the omnipresent nature in Tromsø there is never a lack of outdoor activities such as hiking, kayaking, dog-sledding, etc...

CampingCar-Online/Ramble Campervans has motorhome rentals available in Tromsø.
