Temperatures and seasons in Scotland

Discover the best time to go to the different French regions depending on the temperatures.

Find out the best time to visit the different regions of Scotland depending on the temperatures.

Far from the clichés of incessant rain and cool temperatures of England, Scotland is a country with a temperate climate. The best season for lovers of scenery and hiking is between May and June or September and October.

For snow lovers, Scotland is very snowy in December and January, which are the coldest months of the year. You will be able to go skiing or snowshoeing.

It is possible to travel in Scotland all year round depending on the regions you wish to visit.

Below you will find an overview of the average monthly temperatures per motorhome rental centre.

	J	F	M	A	M	J	J	A	S	O	N	D
