Road cycling, Mountain biking and bicycle tours

Switzerland at the heart of the European Alps, with superb road and pristine scenery is a paradise for road cyclists, mountain bikers and those that want to explore a more serene pace on a cycle tour. Your tour of Switzerland in a motorhome rental allows you to explore on with your home on 4 wheels and with your bikes on the back living close to where the magic happens.

Whether you are climbing **alpine passes** on your road bike or **shredding trails in the MTB**, be sure to have your handy **Swiss army knife**, a faithful companion on the road or trail. This Super Tinker Swiss Army Knife is a design icon and essential tool on your bike tour. Almost as essential is your **motorhome** which allows you to live close to **nature** enjoying the endless **mountains** and roads between giants.

With a motorhome rental in Switzerland you can wake up, saddle up and ride all day; retiring back to the comfort of your motorhome base that is always with you. Cook up **local food** for dinner and enjoy a good night's sleep, then get up and do it all over again. **Switzerland Europe's best kept cycling** secret awaits you; enjoy total freedom with your motorhome or campervan and bike rental.
