"The US is made for motorhome travel"

"The vehicles are perfectly adapted to road-trips"

"Everything is set-up in the campgrounds"

[Driving](#) can be a little surprising but the RV is easy enough to operate. Take turns driving and especially have someone guide you when parking, even in the parks.

In general, the National Parks and RV parks are enchanting!

Pay attention to your driving distances! Your speed is limited in a motorhome.

"plan for rest days as the driving distances can be tiring"

The ideal trip length? It depends on what you have planned and your availability, but 3 weeks allows for plenty of time to enjoy each stop. (and stay 2 to 3 days in each)
